All,

I need to ask you to help me ensure that anyone (visitors or IMT staff) who plans on visiting the mine is to have personal protective equipment with them. Visitors who are "touring", are currently required to wear a hard hat, safety shoes, safety vest as well as safety shoes. We are working on attaining additional sets that folks can use but we currently have 9 full sets available. Thank you.

Jason

Lisa- Need to find Craig Myers and get h&S equipment out of his car. May be doing mine tour in Silverton at 10:30.

Jason did we need to talk.
